District Office, Dallas, Texas

Hall, H. Stan, P.E., District Advance Project Development Engineer

Headquarters Office, Austin, Texas

Neeley, Melissa, Director of Project Delivery Management, Environmental Affairs Division

Swonke, Carlos, P.G., Director Environmental Affairs Division

NTTA

Carrigan, Gerry, Executive Director

Johnson, Kelly, P.E., Manager of Design

Mow, Elizabeth, P.E., Assistant Executive Director of Infrastructure

Shelton, Lori, AICP, Project Manager-Agency/Local Government Coordination

NCTCOG

Anderson, Christopher, Program Manager

Wesch, Sandy, Project Engineer

CONSULTANT TEAM

NTTA Program Management Consultant/HNTB Corporation

Chapman, Dan, P.E., NTTA Trinity Parkway Corridor Manager – 25+ years of experience in transportation engineering and project management

Morse, Julie, BS, MS, Environmental Manager – 17+ years of experience in natural resources impact assessment, transportation environmental planning, NEPA document preparation, project management, and quality assurance

Halff Associates

Craig, Matt, P.E., Project Manager, MSCE – 30+ years of experience in transportation planning, engineering project management, NEPA environmental documentation, and public involvement

Diamond, Jason, M., BS, Environmental Scientist – 17+ years of experience in NEPA environmental documentation, subsurface investigation, and site assessments

Erskine, Russell, P.E., BS, BS, Project Manager, Hydraulic and Hydrogeologic Engineer – 18+ years of experience in water resource modeling

Gardiner, Chad R., P.E., BS, Civil Engineer – 14+ years of experience in transportation studies, roadway design, and storm drainage design

Griffith, Daniel C., BS, Environmental Scientist – 10+ years of experience in jurisdictional determinations, wetland delineation, Section 404 permitting, mitigation planning, and environmental assessments

Hall, Crystal A., BA, Environmental Scientist/Geologist – 5+ years of experience in NEPA environmental documentation and environmental due diligence services

Jaynes, Richard A., BS, MS, JD, LLM, Environmental Scientist – 20+ years of experience in interdisciplinary environmental studies and the application of environmental and natural resource law and policy; currently specializing in NEPA environmental documentation, plant community ecology, biological surveys, and water resource impact evaluations

Kannenber, Samantha R., BA, Environmental Scientist – experienced in NEPA environmental documentation, socioeconomic analysis, and hazmat analysis

Lesh, Michael M., P.E., BSCE, BS, Civil Engineer – 10+ years of experience in design and technical computer-aided design

Marusak, Cara M., BA, Environmental Scientist – 3+ years of experience in environmental planning, NEPA environmental documentation, socioeconomic analysis, and public involvement
